

Please find attached the schedule for the Interstate 74 Challenge hosted by [Eastside VBC](#); [Prime Time VBC](#); and [Illini Elite VBC](#) that will be held at the Peoria River Plex and Illini Elite Training Center on January 14-15, 2012. This schedule has also been posted on each club's website. The schedule is now final. Any previous copies that have been printed, uploaded, or distributed may have slight differences. Please compare before distributing to your parents and coaches. The address location for the playing facility for this tournament is as follows:

- Peoria River Plex; 600 NE Water Street; Peoria, IL
- Illini Elite Training Center; 3 Quest Drive; #209; Bloomington, IL

Volleyball apparel will be made available both days consisting of pants, sweat shirts, t-shirts, etc.. **Coolers and outside food is not allowed in the Peoria River Plex or Illini Elite Training Center.** Note that a concession snack shop is open and run at both facilities. There is limited sitting sometimes, so we encourage parents to bring chairs in both facilities. There will be an admission charge in each facility. Finally there is **NO GUM** allowed on any playing facility. The following are a few guidelines for the tournament that you should be aware of:

- We will be using the two Libero rule and one Libero will be allowed to serve.
- USA Volleyball Rules are in effect for this tournament.
- Warm-ups for Play is 2-4-4 minutes for the duration of the tournament.
- No player or team may be on the side of the court warming up while a team has the court. Practice may only take place on the playing surface.
- Warm-up balls will be provided by Eastside Volleyball Club and Illini Elite for this tournament.
- This tournament has been tiered by division to maximize the competitiveness of the tournaments.
- The tie breakers for pool play are Sets Record, Head-to-Head on two-way ties, Game Record, and then Points on 3-way ties. Points will not determine a winner. If it comes down to points, a playoff game to 25 points will determine winners.
- Certified USA Volleyball Head Officials will be provided on all matches. Down officials, lines keepers, and score keepers must be provided by officiating teams.
- It is each team's responsibility to be on time during their next match. The tournament may run ahead of schedule and sets will be started at the completion of the previous set. For each minute a team is late for playing or officiating they will be assessed a point which will be put against the team on their subsequent match.
- Absolutely no eating or using electronic devices is allowed by the officiating team at any time while they are officiating.
- Each team is expected to pick up trash in the area of the bench or player rest area at the complete of matches or the tournament. Facilities are generous enough to allow us to use their facilities, and we expect the coaches and players to pick up any trash, regardless if that trash is theirs or not. Please proactive on picking up trash. If we all jump in and keep the area clean through-out the tournament, there should be no mess at the conclusion.

Please forward to your players and teams. We look forward to hosting and look forward to another great year of volleyball!! Please let us know if you have any questions. Good luck on the competition and may your drive be safe to and from the event.

Thanks,
Tim Vande Schraaf, Eastside VBC
And Erins, Illini Elite VBC
Cliff Hastings, Primetime VBC
